

2028 PRESIDENTIAL CANDIDATE AGENDA OR PLATFORM (U.S.)

DRAFTED BY: MR. A.C. TOULME JR.

8 JULY 2025

To be undertaken in 2029 is the New Zone Improvement Plan or ZIP Code Plan of 2028 which effectively changes the Zip Code of Topeka, K.S. to 77701: for American Christians. Also, it's the Responsibility of every President to choose an economic philosophy, and so mine shall be Club Theory. My administration will work tirelessly to ensure America is run like a Luxury-yacht club, there will be Perks and Rewards, and a Renewed sense of American Capitalism for all people; and the United States will be healthier and happier than ever before, it will truly be a Time for Unity, Celebration, and National Blessings for all American Citizens. Lastly, with Re-hires, Normalization of Tariffs, and Wrongful Deportation Reversals nearly all of Trump's actions will be undone.

Mr. A.C. Toulme Jr. CND for U.S. President 2028
